92 Points!

Medium straw yellow color; rich, attractive aromas of ripe core fruits and creamy oak, very well-integrated; medium to full bodied, layered yet lively on the palate, superior structure; dry, nice acidity, well balanced; tasteful core fruit flavors with a fine interlocking of sweet oak, well-melded, excellent concentration of fruit, a note of clove in the background; medium to lingering finish; smooth aftertaste. A very popular style of ultra premium Chardonnay.
