BEVERAGE INDUSTRY NEWS
SERVING CALIFORNIA'S BEER / WINE / SPIRITS INDUSTRY SINCE 1934

93 Points!

Bright clear, straw color; fresh, vibrant apple aroma with a suggestion of minerality; medium to full bodied on the palate, exceptional structure on the palate; dry, nice acidity, well-balanced; zesty core fruit flavors with a definite streak of minerality and dried citrus peel, excellent concentration of fruit; long finish, refreshingly crisp aftertaste. A remarkable effort.
