

The
WINE
ADVOCATE

90 Points!

The 2005 West Face exhibits a dark ruby/purple color and a peppery nose with hints of black currants, loamy soil notes, and some black currant and herb. The wine is rich, medium to full-bodied, with sweet tannin and a nice, savory mouthfeel. This is a structured wine that should drink nicely for 10 – 12+ years if not longer.
