

Robert Parker's  
Wine Advocate

## 90 - 93 Points!

The fruit-forward, opulent 2006 Back 40 is sweet, rich, full-bodied, with hints of espresso, black currant, and blackberry, some underbrush and tobacco leaf notes. It is a full-bodied, round, and generous wine with the tannin slightly sweeter and the overall personality fleshier than the 2005. Drink it over the next 10 – 12 years.
