

Robert Parker's

Wine Advocate

## 92+ Points!

...the 2007 Back 40 (100% Cabernet Sauvignon) exhibits an inky/purple color as well as a gorgeous nose of charcoal, blackberries, cassis, and rich, full-bodied, concentrated flavors. The finest Cabernet Sauvignon Ferrari-Carano has made to date, this beauty can be consumed now and over the next 15 – 20 years.
