### **2004 Sonoma County Fume Blanc**

The best vintage of Ferrari-Carano's Fume Blanc in recent memory, this '04 is all about the fresh apple flavor of the fruit.

There's a hint of wood spice, like nutmeg,  
and a honeycomb flavor.

Through it, the fruit bristles with freshness and lasts.

Great with boudin blanc,  
or anything you might serve with a crisp apple.
